

The background is a dark blue gradient with several thin, light blue concentric circles centered around the text. Scattered throughout are small white plus signs and larger, stylized four-pointed stars. In the upper right quadrant, there is a cluster of small, dark blue, curved lines resembling a comet tail or a nebula.

# **Yes or No Game- Extreme Environments**

**Can sunlight reach under the ice in frozen lakes? ✨**

The background is a dark navy blue. It features several thin, light blue concentric circles centered in the frame. Scattered throughout are small white four-pointed stars of varying sizes. In the upper right quadrant, there is a stylized comet with a long, curved tail made of short, dark blue dashes. The word "Yes" is written in a large, bold, white sans-serif font, centered horizontally and slightly below the vertical center.

**Yes**

# Do Hot Springs have low acidity?

The background is a dark navy blue. It features several concentric circles of varying radii, centered towards the right side of the frame. Scattered throughout are small, four-pointed yellow stars of different sizes. In the upper right quadrant, there is a comet-like object with a tail of short, dark blue dashes pointing towards the top right. The word "No" is written in a large, bold, light pink font, centered horizontally and slightly below the vertical center.

**No**

# Is the deep ocean completely dark?

The background is a dark navy blue. It features several thin, light blue concentric circles centered on the right side. Scattered across the background are small, four-pointed yellow stars of varying sizes. A comet with a blue tail is positioned in the upper right quadrant, moving towards the center. The word "Yes" is written in a bold, white, sans-serif font in the center of the image.

**Yes**

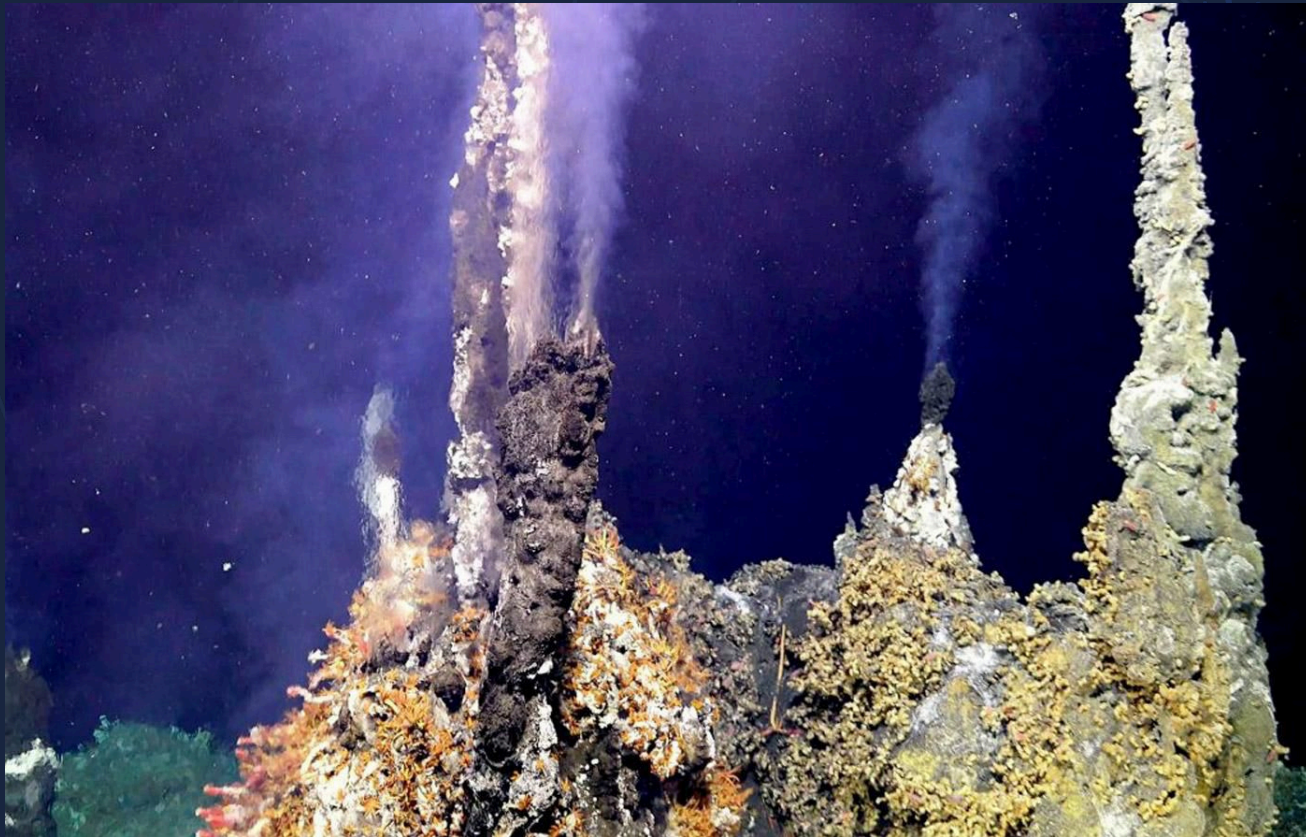

**Do volcanic vents have medium pressure inside? ✨**

The background is a dark navy blue. It features several thin, light blue concentric circles centered on the right side. Scattered across the background are small white stars, some of which are four-pointed and others are simple plus signs. A comet with a long, dashed tail is positioned in the upper right quadrant. The word "Yes" is written in a large, bold, white sans-serif font in the center of the image.

**Yes**

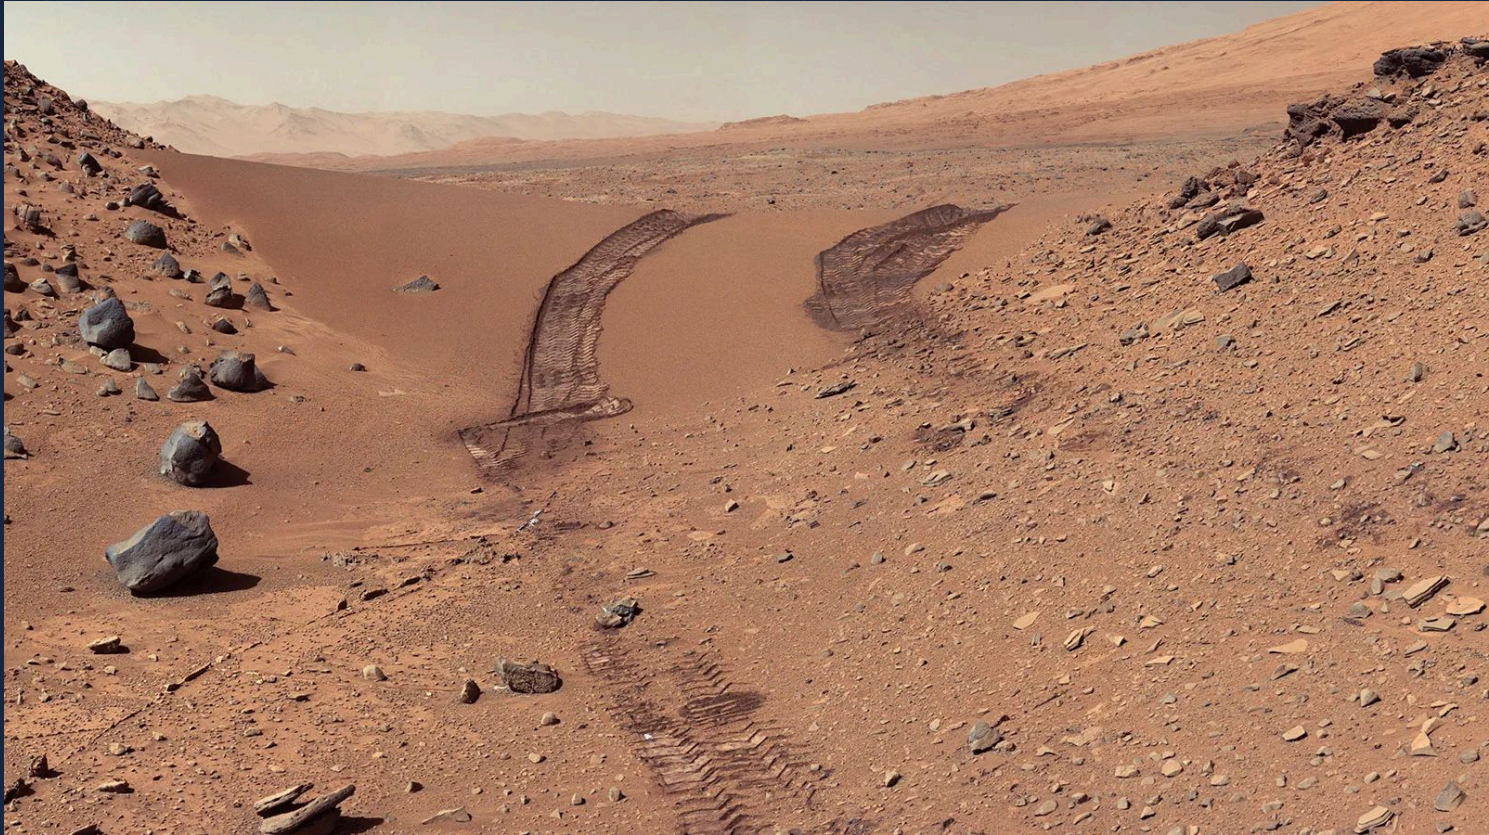

# Are hot sea vents found on land?

The background is a dark navy blue. It features several concentric circles of varying radii, centered on the right side of the frame. Scattered throughout are small, four-pointed yellow stars of different sizes. In the upper right quadrant, there is a comet-like object with a blue, curved tail pointing towards the center. The word "No" is written in a bold, pink, sans-serif font, positioned in the center of the image.

**No**

# Is it cold on Mars?

The background is a dark navy blue. It features several thin, concentric circles centered in the upper right quadrant. Scattered across the background are small, four-pointed yellow stars of varying sizes. A comet, depicted with a blue tail, is positioned in the upper right area, appearing to move towards the center. The word "Yes" is written in a bold, white, sans-serif font, centered horizontally and slightly below the vertical center.

**Yes**

**Would you often find lakes in the desert?**

The background is a dark navy blue. It features several thin, light blue concentric circles centered in the frame. Scattered throughout are small white plus signs representing stars, and four larger, four-pointed white starburst shapes. In the upper right quadrant, a comet is depicted with a long, curved tail of small blue dashes pointing towards the top right.

**No**

**Are acid rivers often found near Grasslands?** ✨

The background is a dark navy blue. It features several concentric circles of varying radii, centered on the right side of the frame. Scattered throughout are small, four-pointed white stars of different sizes. A comet, depicted with a blue tail and a white nucleus, is shown in the upper right quadrant, moving towards the center. The word "No" is written in a large, bold, white sans-serif font in the center of the image.

**No**

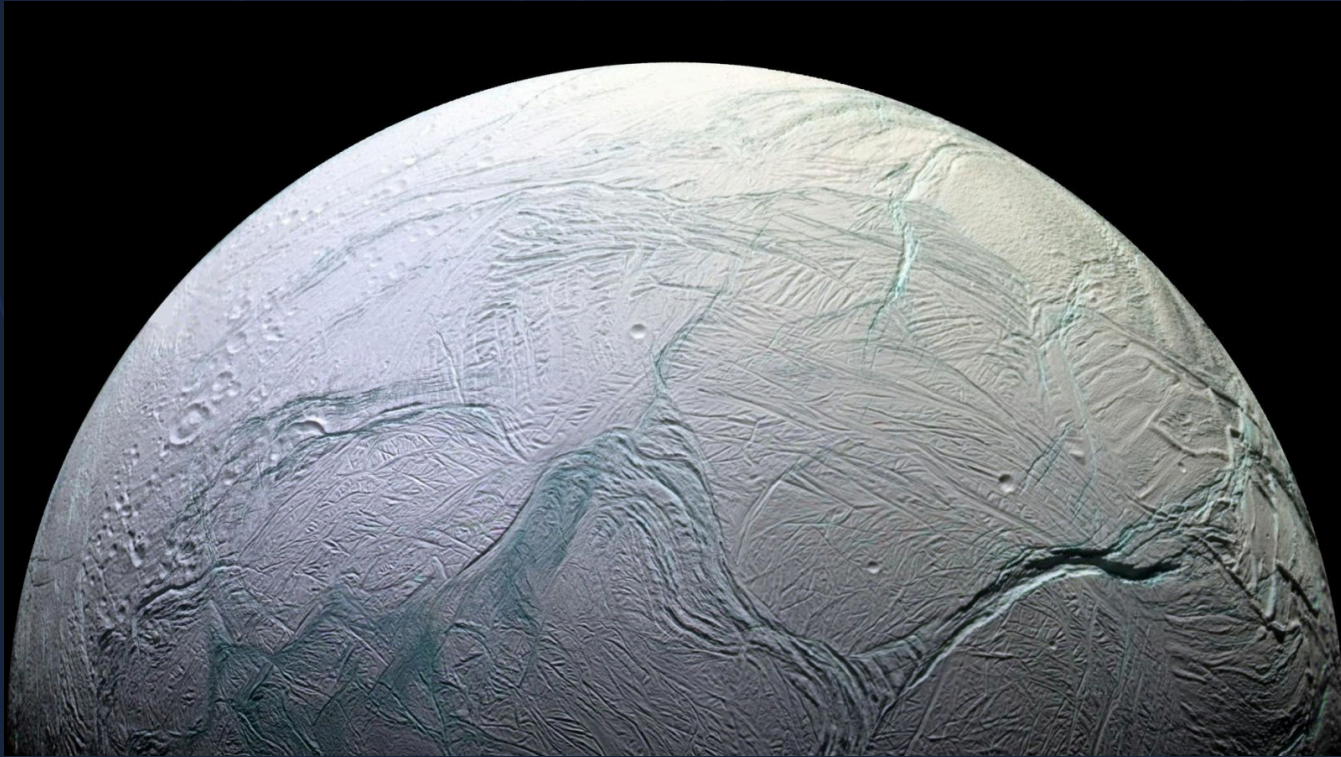

# Can people float easily in saline lakes?

The background is a dark navy blue. It features several thin, light blue concentric circles centered on the right side. Scattered across the background are small white stars of varying sizes and shapes, some with four-pointed starbursts. A small, stylized comet with a blue tail is located in the upper right quadrant. The word "Yes" is written in a large, bold, white sans-serif font in the center of the image.

**Yes**

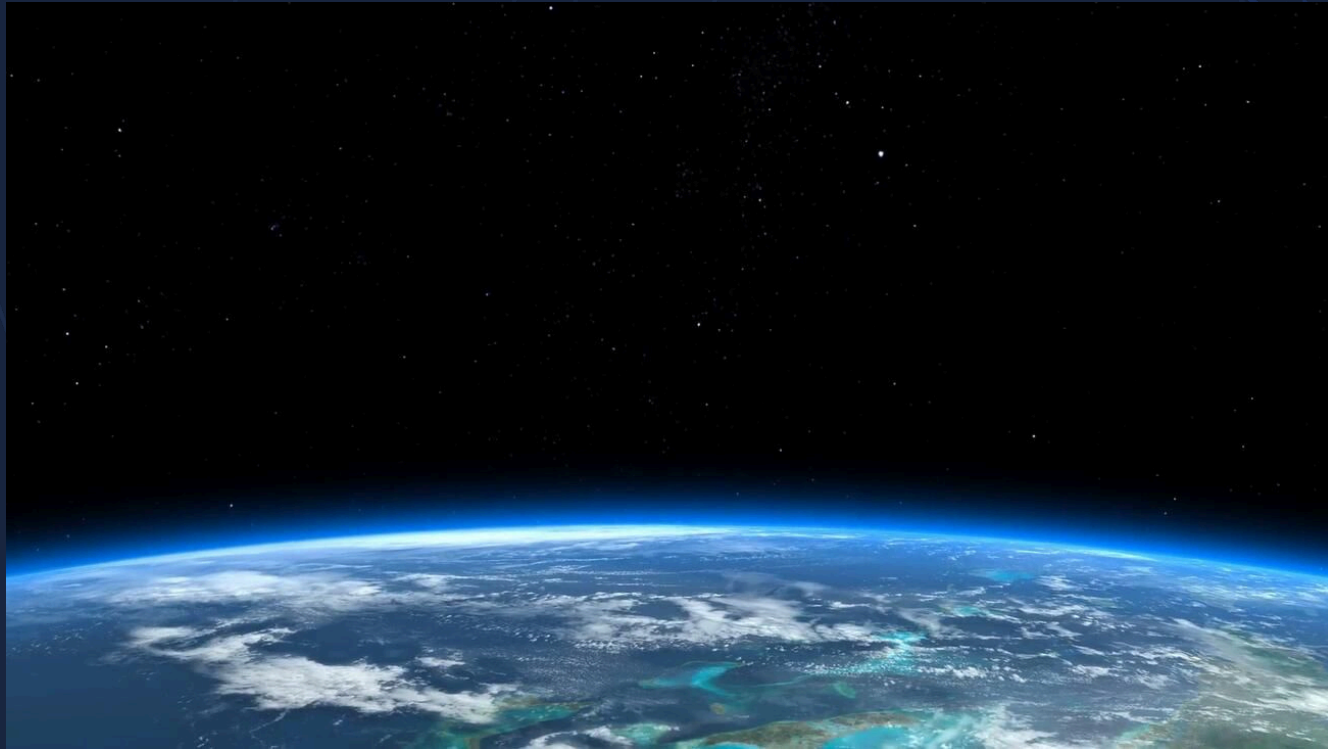

**Are ocean worlds a place we are hopeful to find life? ✨**

The background is a dark navy blue. It features several thin, concentric circles centered on the right side. Scattered across the background are small, four-pointed yellow stars of varying sizes. A comet with a long, dashed blue tail is positioned in the upper right quadrant, pointing towards the center. The word "Yes" is written in a bold, white, sans-serif font in the center of the image.

**Yes**

# Is there air in space?

The background is a dark navy blue. It features several concentric circles of varying radii, centered towards the right side of the frame. Scattered throughout are small, four-pointed yellow stars of different sizes. In the upper right quadrant, there is a comet-like object with a tail of short, dark blue dashes pointing towards the top right. The word "No" is written in a large, bold, light pink font, centered horizontally and slightly below the vertical center.
